Acupuncture and Herbal Therapies
Financial Policy

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our Financial Policy, which we require you to read and sign prior to treatment. All Patients must complete our Patient Information Sheet before seeing the physician.

FULL PAYMENT IS DUE AT TIME OF SERVICE. WE ACCEPT CASH, CHECKS, MASTERCARD, VISA, DISCOVER and AMERICAN EXPRESS.

Regarding Insurance

We bill insurance as a courtesy to you and cannot guarantee coverage. Therefore, payment is due at time of service. Currently, Medicare and Medicaid does not cover Acupuncture, including secondary insurance to the above mentioned. Our fees are determined by the complexity of the particular case and different services used during treatment. You are responsible for the cash discount rate portion of your bill at time of service, whether your insurance company pays or not. We cannot bill your insurance company unless you bring in all insurance information because your insurance policy is a contract between you and your insurance company and we are not party to that contract. In signing this document, you are assigning to this office the benefits to which you are eligible to receive for care rendered to this office. Additionally, in signing this document, you authorize the release of any information to any insurance company, adjuster or attorney that will assist in the payment of a claim.

Usual and Customary Rates (UCR)

Our practice is committed to providing the best treatment possible for our patients. We charge what is usual and customary for our area. Please be aware that, at times, perhaps all the services may be "non-covered" services and not considered reasonable and necessary under your medical insurance. You are responsible for payment in full regardless of any insurance company's arbitrary determination of usual and customary rates.

Missed Appointments

Unless canceled at least 24 hours in advance, our policy is to charge for missed appointments at the rate of a normal office visit. Your treatments will be more effective if you follow your doctor's guidelines and maintain your treatment schedule. Please help us to serve you better by keeping scheduled appointments.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns.

I have read the Financial Policy. I understand and agree to this Financial Policy.
